

Announcement Hawkins • Argabrite • Associates

Dear Clients, Colleagues & Friends,

With warmest personal affection and professional respect, we have decided to make an ownership change in Hawkins Argabrite Associates, Inc.. effective January 1, 1992. In brief, Joe will maintain and expand the existing firm in the current offices, employing the existing staff and adding new. Mark will continue his work as a sole practioner in strategic collaborations with other professionals.

Mark's new address is: Mark Hawkins, Architect
1639 Spring Drive (Rear)
Louisville, Kentucky 40205
Phone: 502/459-5076

Editor's Note: Both Mark and Joe have been involved in neighborhood activities for a number of years. Mark is a member of the board of the Peterson-Dumesnil House Foundation, and has helped develop long-term renovation plans for the House. Joe was on the Board of the Crescent Hill Community Council, and led the development of plans for the Model Block program on Frankfort Avenue. We wish them both well in their new endeavors.

Little Red Schoolhouse

Since 1892 the "Little Red Schoolhouse" at 1800 Arlington Avenue has served the Clifton community. This year Benjamin Franklin Elementary School will be 100 years old. Several friends, neighbors, and alumni are planning a reunion/birthday celebration to be held on Saturday, April 4, 1992. We are holding meetings every other week in the school cafeteria to collect historical information, old photographs, and to plan for this event. For information about the date and time of the next meeting please contact Rex Minrath at 581-4237, or Carol Staley at 473-8254. If you can help us, have information about the "Drum & Bugle Corps", old photos, or would like to share a good old story, just give us a call.

Ursuline News

Ursuline School of Music & Drama will present Wind in the Willows on Saturday, February 8 at 7:30 p.m. and Sunday, February 9 at 2:00 p.m. An all student cast (grades 2-4) will perform, representing participation from thirteen (13) area schools.

The tranquility of a summer's picnic along the river bank is shattered by the incorrigible Toad and his friends, the winsome Mole and the stalwart Rat, coughing in his dusty wake, but determined to reform him. Saved by the stern but forgiving Badger, the three animals rescue Toad in the rousing conclusion.

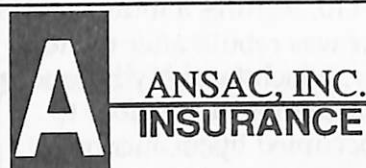

Please call the school at 897-1816 for further information.

Emmet Field School News

A great big **THANK YOU** goes out to all of you who contributed Kroger receipts to help us earn our 2nd computer. In fact we have some left over that we will not be able to use, so if there are any schools needing a few more receipts to finish up one more computer, come by Field and pick them up. First come, first served.

As many of you are aware, Kroger is now advertising the importance of testing your homes for Radon. I remind our readers that the Field PTA has Radon test kits for sale at \$5 each. This price includes the test kit, lab evaluation and a prepaid mailer. You can't find a better deal anywhere. Contact the school with your name and address to place an order. Each kit will test approximately 800 square feet of living space.

The PTA has made Field T-shirts and shoelaces available for purchase in the school bookstore so all of our students can show School Spirit on designated days. We have also purchased enough Texas Instrument calculators to provide each child in the school with this teaching/learning aid. These are just the most recent examples of how the PTA uses fund raisers to benefit the school and all the children. The top salespeople for the Fall Cheese & Sausage Fund Raiser were: 1st-Michael Thompson, 2nd-Nathan Tobin, 3rd-Julia Minotti. Congratulations to you and all the other participants!

We are sorry to have to say farewell to Lana Baker, who has served as an outstanding Treasurer for the past 2 years. Lana has also served treasurer at St. Matthews Elementary and we wish her well with her increase in free time. She has definitely earned it!

We still need to hear from any Field Alumni (students or staff) to determine if enough interest is out there to organize a reunion this Spring. Please call the school with names and addresses.
